

Biography

elsa lamartina

Visual Artist, born in 1977, lives and works in Milan. She is the founder of Atelier 100, an artist studio and exhibition space in Milan. She has a degree in Psychology and specializes as a Jungian psychoanalyst, while she develops her artistic activity at the same time. Her artistic practice is based on the combined use of photography with archival images, sculpture, installations and videos, exploring the ability to integrate multiple methods in order to better express her work.

Some milestones in her artistic career:
